

COUNCIL AWARDS-1

Knight of the Year 2014

The Knight of the Year award is presented to a Brother Knight that has shown to us all that you get out of the Knights exactly what you put in. This Brother has taken his positions on the executive with the mind set to make things work and to get them done. For the last three years he has been the one that has not let anything slip through the cracks and has rolled up his sleeves to go forward with projects that otherwise may have not been completed. His main objective is to help make his Council successful and he has been a major part in that success. He has not failed the Council or let his Brother Knights down. This is the true meaning of the Knights and this Brother demonstrates this by his example. He is a Past Grand Knight, chairman of a lot of what we do, a Catholic Gentleman and a true Brother Knight. It is with great pleasure that the Knight of the Year award is presented to our immediate **Past Grand Knight Michael Dynes**.
