## Grand Knight's Letter

Brothers,

Come out to our next meeting and see for yourself the renovations to our chambers. Thanks in large part to Bro. Michael Dynes' effort and dedication we now have a new coat of paint top to bottom and are in the midst of a new floor! Coinciding with the new season of spring upon us, our chambers are rejuvenated and need you to be at our meetings to reinvigorate our council with fresh ideas. At our next meeting (Tuesday April 2 @ 7:30) we will have our first round of nominations for executive positions. This is where we need members like You to take on a role and play a part in the life of our council. If you have not been involved before, this is your opportunity to get more involved. These roles are not a burden and simply require you to attend our executive meetings once a month. There you can have your input and implement new ideas to benefit our parish and wider community. Plenty of guidance is available from experienced members if needed and on line training for executive positions is available to all members on line at [kofc.org/trainingmicrosite](http://kofc.org/trainingmicrosite)

An important role that all of us have is that of membership recruiter for our council. We all are challenged with the growth of our council. The reality is that many of our members will not be here in ten or twenty years. Who will carry on the good works we do if we do not attract new members to replace us? We are depending on each member to tell potential candidates your story of why you are a Knight. Tell them the benefits you enjoy as part of this organization and the potential for personal growth it offers a man. Please ask someone you know to join. To better equip yourself in this role of recruiter, you can get more information and training that is available to all members once again at the [kofc.org](http://kofc.org) website. Look for the webinar or click on: **["Finding Members Where They Are!"](#)** Our council is counting on you to have our membership numbers trend to the positive. I cannot think of or recall any organization that can shrink its way to greatness.

Recently, two members have passed way, Brothers Edwin Seidle and J.J. Karl Hurley. We have included their families in our prayers and will have a Mass offered for their souls.

Our Council as usual is active in our Church during the Easter season helping where we can and where we are needed. We have begun our participation weekly with the Stations of the Cross on Fridays. On Friday March 29<sup>th</sup> our Council will be looking after the Stations as usual as well as doing the readings. We do this every year on one of the Fridays during lent and this year it will be on March 29<sup>th</sup>. This is one of the Fridays that you should all try to attend and support as it is our Council working together in our Church. Please do your best to attend. It is only a half hour and as usual it is important for us to come together in prayer, and here is another perfect opportunity for that to happen.

I will also be looking for 6 volunteers to help on Holy Thursday with the washing of the feet. I will bring this up at our general meeting and ask for volunteers. If you wish to help with this, please let me know by phone or email or let me know at our April meeting.

Below you will find a schedule of upcoming masses offered by our Council and St. Francis Assembly. Please mark these important dates on your calendars and attend each of these masses as they come up. I will keep bringing the dates forward as we get closer, but with you knowing the dates ahead of time you will be better prepared and able to plan and attend.

# ***Abortion clinics in the United States will no longer receive 'Title X' funding***

The Trump administration finalized new federal rules on Friday, by which abortion clinics will be ineligible to receive Title X Program funding. Planned Parenthood is expected to be stripped of about \$60 million in federal funds due to the rule change. The finalized version of the “Protect Life Rule” was announced in a February 22 press release from the Department of Health and Human Services. Title X funding was not cut as a result of the new rules, which impact eligibility requirements.

“Today, the Trump administration took an imperative first step in the right direction by preventing Title X funds from being misused by those who promote and profit from abortion,” March for Life President Jeanne Mancini told CNA. “Abortion is not healthcare, yet for decades the federal government has voluntarily supported abortion by subsidizing the industry with hundreds of millions of tax dollars every year,” Mancini said.

Title X is a federal program created in 1965 that subsidizes family-planning and preventative health services, including contraception, for low-income families. It has been frequently updated and subject to new regulations. Among other provisions, the Protect Life Rule requires that there be a physical and financial separation between recipients of Title X funds and facilities that perform abortions. Clinics that provide “nondirective counseling” about abortion can still receive funds.

Previous regulations, written during Bill Clinton’s presidency, not only allowed for health clinics that were co-located with abortion clinics to receive funds, but also required that Title X recipients refer patients for abortions.

Rep. Chris Smith (R-NJ), chairman of the Bipartisan Congressional Pro-Life Caucus, said the new rules move Title X closer to “its originally intended purpose—the provision of family planning services, not abortions.” Smith said that Title X funding was “never” meant to promote abortion services.

“I am grateful that the Trump Administration has affirmed human life and dignity with this pro-child rule,” Smith said in a February 22 statement.

Planned Parenthood is still eligible for federal funds that are not part of Title X. Last year, Planned Parenthood received over \$500 million in federal funding.

Shrove Tuesday back in the kitchen. The boys get a peptalk from Brother Joe Mancini, or are they trying to decide who's going to make the pancakes this year. Looks like a real problem!!!

Knight of the Month for January is our Deputy Grand Knight Brother Michael Phillips.

# SAINT OF THE MONTH

## **St. Mark Feast Day April 25**

Most of what we know about Mark comes directly from the New Testament. He is usually identified with the Mark of Acts 12:12. When Saint Peter escaped from prison, he went to the home of Mark's mother. According to the Bible, Mark went to Cyprus with Barnabas after the Council of Jerusalem (Acts 15:39). Also according to the Bible, Mark went to Cyprus with Barnabas after the Council of Jerusalem (Acts 15:39). About the year AD 49, about 19 years after the Ascension of Jesus, Mark travelled to Alexandria and founded the Church of Alexandria. Today, the Coptic Orthodox Church, the Greek Orthodox Church of Alexandria, and the Coptic Catholic Church claim to be successors to this original community. Aspects of the Coptic liturgy can be traced back to Mark himself. He became the first bishop of Alexandria and he is honored as the founder of Christianity in Africa.

According to the historian Eusebius, Mark was martyred in 68. In 828, relics believed to be the body of Saint Mark were stolen from Alexandria by Venetian merchants with the help of two Greek monks and taken to Venice. In 1063, during the construction of a new basilica in Venice, Saint Mark's relics could not be found. However, according to tradition, in 1094, the saint himself revealed the location of his remains by extending an arm from a pillar. The newfound remains were placed in a sarcophagus in the basilica.

The oldest and the shortest of the four Gospels, the Gospel of Mark emphasizes Jesus's rejection by humanity while being God's triumphant envoy. Probably written for gentile converts in Rome, after the death of Peter and Paul sometime between A.D. 60 and 70. Mark's Gospel is the gradual manifestation of a "scandal": a crucified Messiah.

Like another Gospel writer Luke, Mark was not one of the 12 apostles. We cannot be certain whether he knew Jesus personally. A winged lion is Mark's symbol. The lion derives from Mark's description of John the Baptist as a "voice of one crying out in the desert" (Mark 1:3), which artists compared to a roaring lion. The wings come from the application of Ezekiel's vision of four winged creatures to the evangelists.

Mark fulfilled in his life what every Christian is called to do: proclaim to all people the Good News that is the source of salvation. In particular, Mark's way was by writing. Others may proclaim the Good News by music, drama, poetry, or by teaching children around a family table.
